Finding and Using Images for Instruction

Jason Stirnaman, MLS

Crystal Cameron-Vedros, MLS

A.R. Dykes Library, University of Kansas Medical Center

Find resource links at http://del.icio.us/jstirnaman/kumc_imagesforinstruction

Where Should I Start?
- Library's licensed images.
- Images with built-in permissions statements (Creative Commons).

Guidelines for Using Images
- Find an image with clearly stated terms of use that you can meet.
- Attach the URL for future reference.
- Match the image size to its use.
- Cite the owner of the image and the permission agreement
- Don't forget the caption
